

# The Holy Trinity Cardboard Regatta

## The Challenge

To design and create a floating vessel of corrugated cardboard using engineering genius, artistic flair or perhaps a combination of the two, with human power that can compete in multiple races and finish with the crew still inside.

## Cardboard Boat Requirements

**CARDBOARD** - Boats must be made of ordinary, corrugated cardboard. Waxed or reinforced cardboard is not allowed

**GLUE** - Any one-part glue is allowed. Two part or epoxies, tar-based substances, two-part varnishes, fiberglass resin or similar substances are not permitted.

**PAINT** - Ordinary oil based or water based paints are allowed to decorate or waterproof boats. No specialty coating.

**TAPE** - Tape is permitted. Taping the entire surface is discouraged.

**THEME** - Creativity is encouraged. Kayaks, barges, pirate ships, riverboats, trucks, airplanes, dolphins, sea turtles and other marine animals and many other themes are encouraged. Since this is a family event, any theme deemed inappropriate for our younger audience members by judges or starters are subject to disqualification with no refund. So, please use common sense when developing your winning design!

**LOGOS** - No "For Profit" Organization Logos on community entry boats

**LOCATION & TIMES** - The race will be held on the Patoka River by the Dave Buehler Plaza along the Riverwalk in Jasper. Boat checks will start at 9am. Races will begin at 11am.

Oars may be of material other than cardboard. Your boat must be free of sharp edges, pointy objects or anything else that could cause injuries. The boat's passenger area must not be permanently enclosed. Each person must be visible while in the boat. Up to 12 crew members allowed. Use multiple forms if needed.

**A max of 32 entries will be accepted**
